## 2<sup>nd</sup> Announcement

Cologne, Sep. 1<sup>st</sup>, 2018

Dear colleague,

[Abstract submission](#) and [registration](#) are now open for [The 12<sup>th</sup> International Workshop on Subsecond Thermophysics \(IWSSTP 2019\)](#) which will be held from **June 3 – 6, 2019** at Institut für Materialphysik im Weltraum, Deutsches Zentrum für Luft und Raumfahrt (DLR), Cologne (Germany).

The workshop will cover all aspects of thermophysical property measurements under extreme conditions. This includes:

- Fast and transient methods (pulse and volume heating)
- Levitation techniques (on ground and under microgravity)
- Theory & Experiment

There will be oral & poster sessions as well as contributed and invited presentations. We are particularly proud of the large number of high-ranking experts whom we were able to win already for an [invited lecture](#).

Registration and abstract submission are now open under [www.dlr.de/iwsstp2019](http://www.dlr.de/iwsstp2019). The deadline for abstract submission is January 14, 2019. The participation fee is due by April 30, 2019. By the same time registration closes. For further details see [www.dlr.de/iwsstp2019](http://www.dlr.de/iwsstp2019).

Please also check future announcements with more details and updates on guidelines, deadlines, the participation fee, the social program, etc.

We expect around 60 of the best scientists of the field, including yourself. A selection of the best papers will be published in the Journal “High Temperatures-High Pressures”.

We cordially invite you to join IWSSTP 2019, and welcome your submission.

Yours sincerely,

Jürgen Brillo

(Chairman)
