**New submission deadline: Jan. 20, 2019**

Cologne, Jan. 14, 2019

Dear colleague,

Thank you for the numerous abstract submissions to the 12<sup>th</sup> International Workshop on Subsecond Thermophysics (IWSSTP2019) which will be held from **June 3 – 6, 2019** at the Institut für Materialphysik im Weltraum, Deutsches Zentrum für Luft und Raumfahrt (DLR), Cologne (Germany). However, we do not want to deny those of you who have not yet had the chance to finalize their abstract the opportunity to present their works during this event.

Hence, the organizing committee decided to postpone the deadline for abstract submission until Jan 20, 2019.

Abstracts should be submitted by email using the following link: [www.dlr.de/iwsstp2019](http://www.dlr.de/iwsstp2019)

The workshop will cover all aspects of thermophysical property measurements under extreme conditions. This includes:

- Fast and transient methods (pulse and volume heating)
- Levitation techniques (on ground and under microgravity)
- Theory & Experiment

There will be oral & poster sessions as well as contributed and invited presentations. In addition, there will also be a number of [invited lectures](#).

Registration and abstract submission are open under [www.dlr.de/iwsstp2019](http://www.dlr.de/iwsstp2019). The new deadline for abstract submission is **January 20, 2019**. The participation fee is due by April 30, 2019. A selection of the best papers will be published in the Journal “High Temperatures-High Pressures”.

We cordially invite you to join IWSSTP 2019, and welcome your submission.

Yours sincerely,

Jürgen Brillo (Chairman)
